EQUIMANIA! OUTSTANDING IN OMAHA, NEBRASKA AT SHOWJUMPING INTERNATIONAL!

Nebraska was blown away by EquiMania's 2nd visit to the United States....

This inaugural international competition welcomed over 10,000 spectators and EquiMania! was part of the main attraction! Newcomers and seasoned equine aficionados alike kept the EquiMania! staff busy with a constant stream of participants lining up; eager to play the interactive games .

The International organizer, Susan Runnels, spotted EquiMania! at the Alltech 2010 World Equestrian Games and knew this was a "must have" attraction for the event. Participants agreed! Local teachers and vets wanted to know where the educational exhibit came from.

They were intrigued by the elaborate displays and fascinated by how much fun the new EquiMania! Explorers had learning about safety and horses.
