

# VACCINES

# DETERMINING WHAT YOUR HORSE NEEDS

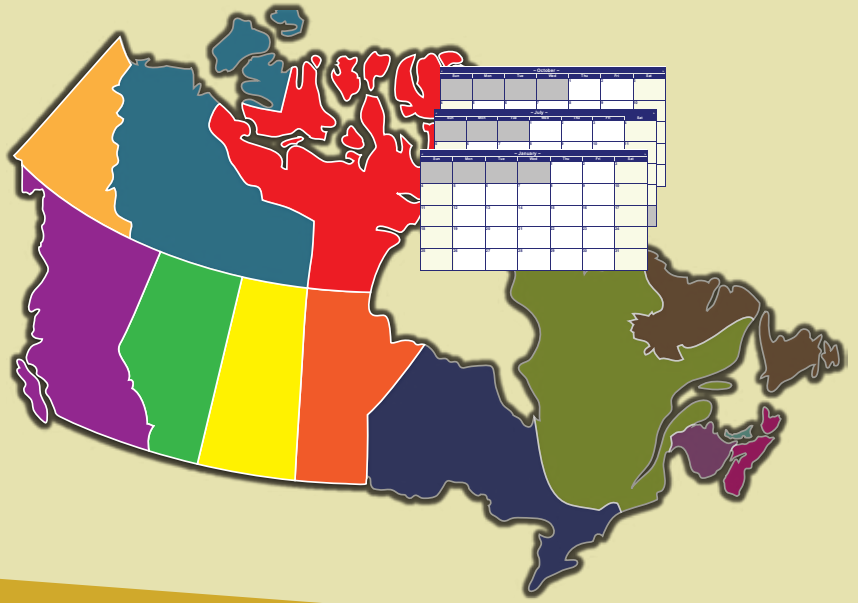

Get a personalized Immunization Schedule for your horse with Equine Guelph's Vaccination Equi-Planner tool and work with your veterinarian

**Vaccination  
Equi-Planner**

## 1 LOCATION

Check with your veterinarian - they know what diseases have been prevalent in your area over the past year

## 2 WHERE DOES YOUR HORSE GO?

All mobile horses, show horses, racehorses are exposed to a higher risk for influenza, Equine herpesvirus, rhinopneumonitis...

## 3 WHO ARE YOUR HORSES FRIENDS?

Barns and stables, with a lot of in-and-out traffic  
↑ risk of exposure to viral and bacterial agents

## 4 HOW OLD IS YOUR HORSE?

Your horse's vaccination needs will change throughout it's lifetime

Develop a vaccination plan with your veterinarian to help protect your horse from infectious diseases

**PART OF YOUR BIOSECURITY PLAN**
