"Play Safe. It's HorseSense!" took centre stage holding the reins for another ride into the 'real deal' of the beloved equine.

Featuring impressive displays, Equine Guelph staff and volunteers guided "Danger Detectives" of all ages, as they accepted their missions seriously: scan the barn-like setting (enhanced with bales of straw...but no manure!) and discover 12 safety hazards.

Participants received a great looking back pack, and the presentation of the official 'Danger Detective' badge! The much desired horse hats were seen on guests of all ages, everywhere!
